

GREENWOOD STATION SECOND EXIT - LOCAL WORKING GROUP

April 5, 2017

Dear Neighbour,

The TTC is committed to an inclusive consultation process to determine a location for a new second exit/entrance to improve customer safety and convenience at Greenwood Station.

Additional information about the planning process is available on the project website at **projects.ttc.ca**. Please see: “Second Exit Planning and Consultation – Greenwood Second Exit”.

The planning process was developed by a panel of outside experts including urban designers, architects, a local construction expert and a transit historian. It involves forming a local working group of community representatives who will put forward and evaluate location options using a framework that was developed by the Expert Panel. Below is a copy of the application form for the Local Working Group (LWG).

Applications are due by Monday, May 15, 2017. The Expert Panel on Second Exits will review all applications and select members. TTC will then notify each applicant. Meetings of the Local Working Group will begin shortly afterwards, and will be open to the community.

If you have any questions, please contact me.

Best Regards,

Denise Jayawardene

GREENWOOD STATION SECOND EXIT - LOCAL WORKING GROUP

APPLICATION FORM

The TTC is looking for 10-15 Toronto residents representing as many of these groups (see below) as possible to be part of the local working group for Greenwood Station. Applications reviewed by the Expert Advisory Panel for Second Exits. Please check off all that may apply to you:

- ☐ Resident living in the vicinity of Greenwood Station
- ☐ Business owner and/or landlord with business interests in the vicinity of Greenwood Station
- ☐ Worker employed in the vicinity of Greenwood Station
- ☐ TTC customer who frequently use Greenwood Station
- ☐ Representative of community group operating in the vicinity of Greenwood Station
- ☐ Representative of agency and/or institution operating in the vicinity of Greenwood Station
- ☐ Representative of a local BIA

Briefly describe why you want to be part of the local working group (or email to denise.jayawardene@ttc.ca):

Note: Please submit your application by Monday, May 15, 2017.

LWG members will attend a series of meetings in 2017 to determine where the second exit location will be built in the Greenwood Station neighbourhood. All local working group meetings will be held in the evening.

The first two LWG meetings are scheduled to be held in the evenings at Danforth Collegiate Technical Institute on Tuesday, May 30 and on Tuesday, June 13, 2017.

There is an expectation that some work will be done by local working group members in between meetings. Thank you.
